cooperatives software will accumulate kWh in the on & off peak time periods and bill the total kilowatt hours in each period on the monthly bill.

TERMINATION OF RATE SCHEDULE

This rate schedule shall be immediately terminated for any modification or unauthorized tampering with REMC'S equipment, meters, or meter and equipment seals.

WHOLESALE POWER ADJUSTMENT

The above rates are subject to a wholesale power adjustment clause as defined in Appendix "A".

INTERRUPTION OF SERVICE

The REMC will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of electrical energy and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by an act of God, or the public enemy, or for any cause reasonably beyond its control, including but not limited to the failure or breakdown of generating or transmitting facilities, floods, fire strikes, or action or order of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in the generating equipment or transmission and distribution system of the REMC.

The member shall notify the REMC immediately of any defects, trouble or accident; which may in any way affect the delivery of power by the REMC to the member.

Effective Date: May 1, 2010

Adopted by the Whitewater Valley REMC Board of Directors: February 25, 2010

Dale Walther, Secretary-Treasurer
