## Round Up Grants in 2021

In 2021, the WWVREMC Community Trust, Inc. Fund granted \$28,769 in assistance to local organizations. More than \$599,190 has been awarded since the beginning of the program. The current monthly income to the program is just over \$2,000, with about 31% of WWVREMC members contributing to the Trust every month. In addition to monthly contributions from the members who "round-up" their bills, the Trust receives one-time donations from individuals throughout the year. During our fall membership campaign, over \$3,000 was pledged in one-time donations and capital credit refunds donated back to Operation Round Up®. We appreciate the generosity of each donation made to the program. Thank you.

The mission statement of WWVREMC Community Trust, Inc. is to make a difference in our community by the accumulation and disbursements of funds for charitable purposes within the WWVREMC service territory.
