ENERGY

On peak:

On-Peak -- For the months of June through August, excluding Independence Day as defined by the NERC holiday schedule, On-peak energy shall be all Kilowatt-hours used during the period 2:00 pm to 7:00 pm - Monday through Friday, E.S.T., daily.

For the months of December through February, excluding Christmas and New Year's Day as defined by the NERC holiday schedule, On-peak energy shall be all kilowatt-hours used during the periods 7:00am to 10:00am and 6:00pm to 9:00pm-Monday through Friday, E.S.T. daily.

E.S.T. = Eastern Standard Time is -5 hours of the UTC (Coordinated Universal Time)

Off Peak:

Off-Peak energy shall be all kilowatt hours used during all hours other than on-peak hours as described above.

WHOLESALE POWER ADJUSTMENT

The above rates are subject to a wholesale power adjustment clause as defined in Appendix "A".

MINIMUM (STAND BY) FACILITIES CHARGES

The facilities charge and per KVA charge on the transformer capacity must be paid for twelve months of service per year. A single-phase service will be billed a minimum of \$492.00 annually in facilities charges and the per KVA charge on the transformer capacity will vary depending on the size of equipment at the members location. A three-phase service will be billed a minimum of \$612.00 annually in facilities charges and the per KVA charge on the transformer capacity will vary depending on the size of equipment at the members location. If service is not maintained for a twelve-month period, this charge will be billed on the final bill after disconnection of service.

TERMS AND CONDITIONS

1. The applicant will be required to give satisfactory assurance in writing as to the character, amount, and duration of the service required.

EFFECTIVE APRIL 1, 2023
PAGE 3 OF 3**

2. In general, motors having a rated capacity greater than ten (10) horsepower must be three-phase. All motors shall have manufacturer's nameplate specifying horsepower rating, voltage and other pertinent information.

INTERRUPTION OF SERVICE

The REMC will make reasonable provisions to ensure satisfactory and continuous service, but does not guarantee a continuous supply of electrical energy and shall not be liable for damage occasioned by interruptions of service or failure to commence delivery caused by an act of God, or the public enemy, or for any cause reasonably beyond its control, including but not limited to the failure or breakdown of generating or transmitting facilities, floods, fire, strikes, or action or order of any agency having jurisdiction in the premises, or for interruptions which are necessary for inspection, repair, or changes in the generating equipment or transmission and distribution system of the REMC.

The member shall notify the REMC immediately of any defects, trouble or accident which may in any way affect the delivery of power by the REMC to the member.

Effective Date: April 1, 2023

Adopted by the Whitewater Valley REMC Board of Directors: October 25, 2022

Jodie Creek, Secretary-Treasurer
